**New Product  
With Li-Ion  
Batteries**

### EY7549LS2S57 - PANASONIC CORDLESS MULTI-IMPACT & DRILL DRIVER

- ♦ IP56 Rated for the ultimate in toughness
- ♦ Multi-function impact mode
- ♦ 2 x 14.4V 4.2Ah Li-Ion batteries, 1 x charger and Hard Case

#### OVERVIEW/FEATURES

This 14.4V cordless Multi-impact and drill driver is four great tools in one. With this all in one compact and lightweight multi-impact and drill driver, you get a four-way unit that eliminates the need to carry extra tools. This tough tool can function as an impact wrench with socket, impact driver with quick change chuck and a low or high driver with keyless chuck.

Features: The EY759LS2S57 features a handy LED light for user-friendly operation in dark areas and comes with an extra battery pack as standard equipment.

International Protection Code IP56 rated

Panasonic Tough Tool IP power tools offer levels of toughness thanks to dust and water resistant technology recognised under the international code standards. The IP standards test is administered by the international Electro technical Commission (IEC) and is designed to gauge the level of protection each product offers against dust and water when subjected to thorough examination. The rating of IP qualifies Panasonic Tough Tool IP products for the minimum impact of water or dust\*1
